This girl's dream!
That second, I saw a pair of broken wings behind the girl
Maybe this is a good thing, a little less dreaming a little less pain

That instant, I thought I was dreaming
There stood a stranger
There was sadness in his eyes
His eyes Are extremely cold yet sad
Like he was the one that had gotten hurt
He shot me one look then turned around and walked away
No!
This is not a dream. Even if it's only an instant but it's definitely not a dream.
Maybe....

That's how he really is!
Wow! Loshii is so smart. He just transferred above and he has already got the first in the grade

His fake smiles
Does he think that for
Oh right Dad!

Shao-Chong always gets number 1 on his tests.
But this time is a national competition that's why I want to celebrate.
Shao-Chong also got the first in the grade. Also his art won first place in the national kid group!
Shall I buy him a present to celebrate?
Really? How come Shao-Chong never told me this?
Okay, I know!
Wow! All the kids in my family are so smart!
Great! Great! Go and see what Shao-Chong likes and buy it for him.

Ste-you look really happy. Do you have any good news?
Of course. Being able to go home with Shao-Cheng is the happiest thing. Shao-Cheng did you have fun at school?
Because of our home there's (brotherhood) soul!
Why?
Yes! Teacher said that I now really well.
But comparing school to our home, I have more fun at our home better.
Onii-san is so pretty! And he looks like such a nice person.
Next time I must ask him to be the model.

I really like brother Toshii
Hurry up sis!
The evil...
but beautiful devil...
Stole all the heart of those who looked at him
Even the ones that are important to me...

Hey! I heard that Jaelin transferred to another school!
Ah! That Iain right? She actually said that
Prince Leahi blessed her She doesn't even know who she's talking about
Exactly! She's so fat, it's like insulting our Prince Leahi
If there's a halo on top of the head
Even a devil will look like Fantange!
Hey look, these are the pictures that a security took

Angel?!
Ah, did you take that photo?
Oh, my God! He looks so hot!
That instant I actually mistook him

Yoshu under the sunset is extremely beautiful but
His eyes are still as dark and misty like a foggy night
Even the sunlight can not reach the depth of his eyes that are filled with
Impatience and disdain!
Hey Lashes! I heard that you are the first in the grade! Can you teach me next time?
Hey! Teach me too!?
What's his real target?!

This...
...I made it myself!
This wrapping is beautiful
It's beautiful
To understand „his" personality...
His terrible personality is completely the opposite from this appearance!
An alarm in my mind went off...

But only for a time. So I didn't look at his cold eyes.
He smiled beautifully at me.
Just like the first time we meet.
The boy who was waiting for me under the tree saw me and similied.
SCARY BUT BEAUTIFULLY
After that.
I finally understood what the smile meant.
DANGER!

That years spring
The Cherry-blossoms in Senhui Academy
blomed beautifully

Ever since he stepped into the front door of my house three days ago, I always feel...
Summer, Shao-Chang, from now on Leshi will be living with us.
He is 16, your older brother. You will take care of him and love him. Okay?
Leshi, this is my daughter, Summer. She's 15 years old and Shao-Chang is my son. He is 11 years old. You two should take care of him.
Nice to meet you.
That second, his cold lips suddenly curved into a strange smile...

That smile
He should take care of me and Shao-Chong
since he is our older brother
Summer
I know this is unfair and irregular but Yaohui's life was very sad.
If possible I want him to live happily ever after
A brother that needs to be taken care of
So Summer, you must take care of your brother with me Okay?
You don't have to worry.
I can take care of myself.
Uncle agree to adopt me has already made me very grateful
Yaohui is such a good kid.
He is so beautiful and he is so polite
Everything is different from what I expected
!!

Everyone accepted him without a question
His smile let down the alert of everyone at home
Don't stand there. Come and eat.
Onii-san is sitting beside me!
Lushii, eat more! I have already taken care of your transcript.
You can go to school tomorrow.
A boy like that suddenly interrupted my life
Try this, it's very delicious
Thank you uncle
His actions, behaviour,
And his meaningful smiles
Made him deep and hard to understand
But one thing for sure.....

His looks will defiantly cause a huge storm in Shen-Hui
I am not lying! Everything I said was true!
You fat pig!
How dare you actually tell everyone that Lushi-sama kissed you
AH!
H-he really kissed me!

Go to hell pig! Shut your fat mouth up!
How dare you insult your Prince Yoshii!
If he actually kissed you then we will all go and die!
He kissed me!
He really kissed me!

Fat pig!
Kill you!
What's going on down there?
A fable said that Prince Yoshii kissed her.
What! That's hard to believe. But if it's true then it would be scary!!
